

# Sandeep Jethwani

**Co-founder, Dezerv**

An alumnus of IIM Bangalore, Sandeep has over 19 years of extensive experience in the wealth management industry. In his previous role, Sandeep has started and led the zero-to-one journey of India's leading wealth management firm, scaling its assets under management to \$3.5 billion.

With experience of managing assets for some of India's most affluent individuals, he has an in-depth understanding of the challenges and requirements of HNIs, UHNIs and family offices.

At Dezerv, Sandeep works with the senior leaders to develop and implement the overall vision, direction, and execution of the company, as well as the development and implementation of strategic initiatives in the product, engineering and growth and marketing teams.
